SINCLAIR COMMUNITY COLLEGE

Type: ATTEMPTED INSPECTION

Date: 16-AUG-2017

2.38(b) REPEAT

MISCELLANEOUS.

There was no one available during business hours to allow APHIS Officials to enter and inspect the facilities, property, records, and animals on 16-Aug-17 at 1:45pm. Attempts to contact the authorized representative included via cell phone and email (as requested on the outgoing voicemail message). There was no response to either method and no one appeared in the office for 30 minutes following initial contact. A second faculty member was also unreachable by phone.

Without access to conduct the inspection, regulatory oversight is impossible. Correct by ensuring a knowledgeable facility representative is available during normal business hours, and alert your inspector as to any scheduling conflicts which would make inspection impossible.
