Institutional Animal Care and Use Committee (IACUC).

**While conducting a review of records, the IACUC approved protocol did not contain a description of the method of euthanasia to be used on the animals under study.

Per this section of the regulations, a proposal to conduct an activity on animals must contain a description of the method of euthanasia to be used when needed. The IACUC needs to address this item as identified for this protocol.

Correct from this date forward.

This inspection and exit interview was conducted with the facility representatives.
